Cloud System for use in class areas

	<p>The Rainbow. Children gain a small class reward for having their name on here at the end of the day.</p>
	<p>All children start here at the start of each new day.</p>
	<p>Warning. This indicates to a child that they are not displaying appropriate behaviour. If the behaviour is improved within the lesson, then the child's name is moved back onto the sunshine.</p>
	<p>Loss of 5 minutes of Golden Time. If the behaviour improves within the lesson, then the child's name can be moved up.</p>
	<p>Loss of 10 minutes of Golden Time. If the behaviour improves within the lesson, then the child's name can be moved up.</p> <p>If the child continues with the poor behaviour, then they take their work and are removed to another class for the remainder of that session. Parents will be informed and the incident recorded on an ABC form. (Antecedent, Behaviour, Consequence)</p>

Golden Time is a daily, where possible, amount of self-directed time to take place within the classroom area. It may be a selection of activities provided by the teacher for a given amount of time or a single activity decided on by the class.
